

Refreshing Tonic

PRICE: \$28.00 USD/\$37.00 CAD

CONTENTS: 148 mL/5 fl. oz.

This refreshing, micellar toning water conditions and re-balances the skin, leaving it feeling fresh and smooth. This tonic is formulated to manage oily zones while soothing dry areas and help stimulate cellular renewal for a youthful, radiant complexion.

TO USE: After cleansing, thoroughly moisten cotton pad with 3 pumps of tonic and gently swipe over face and neck, avoiding the eye area. Use in the AM and PM.

KEY INGREDIENTS:

Micellar Cleansing Technology - Lifts and removes impurities without drying or irritating the skin.

Coconut Water - Provides natural cleansing, toning and antioxidant benefits. Reduces the appearance of pores and naturally moisturizes your skin. It also helps in regulating the pH of the skin and keeps it well hydrated without excess oil.

Cucumber Fruit Extract - Rich in Vitamins B and C, this naturally derived ingredient helps to soothe irritated skin while helping to smooth and minimize the appearance of wrinkles and skin discolorations.

Saccharide Isomerate - A 100% natural, plant derived skin-identical carbohydrate complex (Prebiotic) that provides a unique binding mechanism with the skin to ensure deep, instant hydration for 72 hours. Strengthens and protects the skin, offering improvement in skin comfort and appearance.

Essential Fatty Acids - Linoleic and Linolenic acids, derived from Safflower oil to help restore the skin's lipid barrier to effectively minimize dry skin conditions.

Phytic Acid - A naturally derived ingredient sourced from rice. Is a great alternative to alpha hydroxy acids, which can be irritating to the skin. Its unique, self-neutralizing activity provides a gentle exfoliating effect to aid in skin cell turn-over and renewal.

Peony Root Extract - Obtained from the peony flower, this unique extract from the root of the plant optimizes cellular energy production and detoxification, making skin cells more resilient to damage.

Multi-Mineral Complex - This blend of Zinc Gluconate and Magnesium Aspartate stimulates cellular energy while providing antioxidant benefits to prevent free radical damage.

Essential Oil Blend - Essential oils extracted from grapefruit, orange, tangerine and lemon peels are combined with lycium, apple and pomegranate essential oils to provide a fresh, natural scent.
