

# Advanced Repair Day Treatment Serum

**PRICE:** \$89.00 USD/\$117.00 CAD

**CONTENTS:** 30 mL/1 fl. oz.

This advanced age-defying day treatment helps to relax and diminish the appearance of fine lines and wrinkles caused by daily facial expressions and the natural loss of skin's collagen and elastin.

**TO USE:** After cleansing and toning, apply 3 generous pumps to the face, neck and décolletage and gently massage to absorb. Follow with eye treatment and daytime moisturizer. Use in the AM.

## KEY INGREDIENTS:

**Lactobacillus Ferment Lysate** - This novel, green-technology probiotic helps to balance the immune system and inhibit the growth of some pathogens. It aids in recovery of the skin barrier, improves moisturization, helps reduce skin redness and regulates oil production.

**Wrinkle Relaxing Peptide Complex** - This highly effective blend of Palmitoyl Hexapeptide-19, Acetyl Octapeptide-3 and Dipeptide Diaminobutyroyl Benzylamide Diacetate works synergistically to help improve the appearance of wrinkles and expression lines caused by facial muscular contractions by providing a relaxing effect similar to the results achieved through the use of injections.

**Carnosine** - A nature identical multi-functional anti-aging peptide. Acts as a powerful anti-oxidant to provide a defense against oxidative damage, while helping to stimulate the production of collagen.

**AM Brightening Complex** - A concentrated blend of natural skin brightening compounds are combined to restore an even skin tone by blocking the production of melanin, thus controlling the darkening of the skin, reducing skin discolorations.

**Saccharide Isomerate** - A 100% natural, plant derived skin-identical carbohydrate complex (Prebiotic) that provides a unique binding mechanism with the skin to ensure deep, instant hydration for 72 hours. Strengthens and protects the skin, offering improvement in skin comfort and appearance.

**Antioxidant Blend** - An effective blend of Tocotrienols (a highly effective form of Vitamin E) and Superoxide Dismutase work together to provide superior antioxidant benefits to help protect the skin from oxidative damage.

**Essential Fatty Acids** - Linoleic and Linolenic acids derived from Safflower oil to help restore the skin's lipid barrier to effectively minimize dry skin conditions.

## INGREDIENTS:

Water (Aqua), Coco-Caprylate/Caprates, Lactobacillus Ferment Lysate, Palmitoyl Hexapeptide-19, Acetyl Octapeptide-3, Dipeptide Diaminobutyroyl Benzylamide Diacetate, Carnosine, Phenylethyl Resorcinol, Saccharide Isomerate, Superoxide Dismutase, Linoleic Acid, Linolenic Acid, Tocotrienols, Glycerin, Sclerolide, Lecithin, Lauroyl Lysine, Pullulan, Caprylyl Glycol, Ethylhexylglycerin, Sclerotium Gum, Xanthan Gum, Citric Acid, Phenoxyethanol, Sodium Citrate
